## Reflections | Rachel Trueblood

Laying on the ground,  
I wondered how long it had been since I'd seen his heart.  
And then I wondered if I gave a shit.

I wondered if I cared about the times when  
I shared too much of my soul  
or the days when I didn't share anything at all.

When I shoved crude chips of my skull down his throat  
or when I tried to overcompensate with lying lips.  
I wondered if he ever changed his mind  
because I changed my tone and then  
I wondered who was to blame.  
I wondered about shame and whether I had felt it rationally  
or if I'd been caring about the wrong people my entire life.
